

**Time to Dance 2025
Commitment Letter**

MoCo's Dance Program has three policies that affect a student's eligibility to perform in Time to Dance.

The **first** is their account needs to be in good standing, which requires the account to be paid in full or on a payment plan.

Second, students must follow the class attendance policy.

- Modern C and D Rep, Ballet D Rep, Hip Hop Junior C, Hip Hop B/C and C, Jazz C and D, Tap C and D, Boys Ballet are allowed to miss **4** classes.
- Modern E Rep, Ballet E Rep and Pointe C are allowed to miss **6** classes.
- If your class meets for 45 minutes and you miss more than **15** minutes of class, you will be marked absent.
- If your class meets for an hour and you miss more than **20** minutes of class, you will be marked absent.

Once you have missed more classes than allowed, you will be taken out of the show for that class only. Missing any classes will greatly impact your learning and make it difficult on you, your classmates and the teacher as most classes meet once a week.

Third, all rehearsals and performances in the theatre are **Mandatory**. Rehearsals in the theatre are part of the learning process; allowing students to learn their spacing on stage, entrances and exits, getting to and from stage and learning about theatre protocol for their safety. **Theatre rehearsals are as important as the performances**. If you miss a rehearsal in the theatre, you will be taken out of the show. **Check your schedules for conflicts!**

Everyone needs to be in class every week. We are all in this together and want to make our shows at MoCo the best show possible. When you miss class, you affect yourself, classmates, teachers, and the entire performance. This is not just about the performances; it is about the process we go through to get there and what we learn week to week in class. Preparedness helps the students feel comfortable with their dances and ensures their success on stage. Once again, **please check your schedules for conflicts!**

Redfern Arts Center

Dancer call is 45 minutes before their scheduled Tech/Dress rehearsal on Thursday January 16 and Friday January 17, 2025. (We will provide each class their specific day and time as we confirm this for the Tech/Dress rehearsals. Keep both days open.)

| | | |
