

Dear High School Play Student Directors,

We are SO excited to start work on our first-ever student-directed one acts with you! This will be a new journey and we are grateful the four of you will be a part of it. We have a lot of work to accomplish, so buckle up for a fun and challenging spring semester.

Please see the schedule and mark dates and times in your calendar. As you can see we have a short time period to produce these shows and every class we have together counts. **Be aware that you will need to put in some additional work outside of class time.** It is VERY important that:

- You are in every class and rehearsal with your **script, a writing utensil, as well as a laptop or notebook for your director's notes**
 - **We ask that as a director you do not miss any of the High School Play classes.** Other MoCo classes/shows are considered an excused absence.
- **If you are going to miss class please let us know ASAP, so we can plan alternate work for your cast.**

We have already discussed a lot of what you will need to prepare for class, but please note:

- All resources for the class can be found on your Dance Studio Pro account by clicking 'Files' then 'Class Files' or 'Music Files' or in this Google Drive folder:

- You will also have access to the resources for actors folder so you can upload information to share with your cast.

We will have special guests and experts (your production team members) coming to different classes. We will have the agenda set in advance and communicated to the entire class, so please come to class with your materials prepared and any questions or information relevant to that day's work.
