

Dear cast of the *Magic Tree House: The Knight at Dawn*, KIDS,

Your directors were SO IMPRESSED with the auditions last Wednesday. It was clear that many people practiced on their own and everyone put their very best effort. In addition to the talent we got to see on stage, your behavior and respect during the audition process was phenomenal.

Casting this show was a challenge—there is so much talent in this group. You may not have received the part(s) you wanted, and feeling disappointed is okay. Casting is a puzzle and we need to fit you all together to complement each other's strengths. You each were placed in a role that will benefit the show and highlight your many talents; as well as challenge each of you. Feel proud of yourselves and your castmates because together you will make a wonderful show!

There are many different ensembles throughout the show which will be decided at a later date, as well as lines that are not yet assigned. We always try to give every actor as much stage time as possible. **This Wednesday we will have a read-through of the show. If possible, highlight your speaking lines and run through them before Wednesday.**

Please see the rehearsal schedule and mark dates and times in your calendar. **Note that the show is Easter weekend and the first weekend of April vacation.** As you can see we have a short time period to produce this show. It is VERY important that:

- You come to every class and/or rehearsal with your script and a writing utensil.
- **If you are going to miss class, please call the desk at MoCo and let us know as far in advance as possible.**
- You practice lines and review blocking, choreography, and music at home to reinforce what we worked on in class.
