

Time To Dance Costume Information

In preparation for the upcoming Time To Dance rehearsals and performances, please be aware of the following information and costume needs:

- All dancers should remove nail polish and all jewelry prior to all tech/dress rehearsals, dress rehearsal, and shows.
- All female identifying dancers **must** wear a nude leotard (**no crisscross or colored straps**)
- All dancers should have extra tights on hand in case of accidents.
- All dancers are responsible for keeping their costumes clean (dirt, food and makeup free) and in good shape (no holes, rips or tears) once the costume is in their possession.
- All dancers please arrive with clean hair, your own hairbrush/bobby pins/hairnets, and makeup. Please plan on doing your own hair and makeup prior to arrival if possible as time is limited and there will be limited volunteers to help with hair and makeup at this performance.
 - Female identifying dancers should wear hair in a bun with no part and all hair pulled back in a way that it is out of your face.
 - Male identifying dancers should wear hair in a way that it is out of your face.
