

Dear cast, crew, and family of the Middle School Musical,

We're going to have so much fun singing all of the best songs from the Disney songbook! Classics, New Classics, and even some impressive new arrangements are included in this fun and dynamic musical revue!

**Show Description:** *Disney's Dare to Dream JR.* is a high-energy 60-minute musical revue that follows an eager group of Junior Imagineers-in-Training on their first day at a fictional Walt Disney Imagineering Studio. The plot revolves around the trainees helping one another discover their individual dreams, culminating in the realization that they are brave and strong enough to achieve any goal they set. This uplifting show features a blend of contemporary hits and timeless classics, including songs like "Let It Go" from *Frozen*, "Surface Pressure" from *Encanto*, "Dig a Little Deeper" from *The Princess and the Frog*, and the classic "A Dream Is a Wish Your Heart Makes." The show's overarching theme is the power of dreams to unite and inspire the next generation, celebrating creativity, teamwork, and the possibilities that live inside us all.

**Auditions: Scripts are now available at the Front Desk. Actors are expected to review the audition sides for the January 7 auditions.** Actors who would like a singing role will be expected to sing a selection from the libretto. All of the audition songs, sides, and accompaniment music can be found in our Google Drive folder (see below). We expect actors who wish to audition for leads or supporting roles to come to the first class prepared.

**The audition material has yet to be confirmed. Please keep an eye out for that information to be available on or before December 15, 2025. Thank you for your patience!**

Additionally, we will have some time before beginning auditions to review songs together. It is recommended that students read through the script in advance to
